

WHO WE ARE

Mission, Vision & Programs

The Timeless Frames Foundation · October 2026

Our mission

Timeless Frames is dedicated to preserving cultural heritage and supporting communities in need through innovative projects and strategic partnerships.

Our mission is to create a legacy of compassion, innovation, and inclusion, ensuring that cultural traditions thrive and that communities are empowered to build a better future.

Our vision

Timeless Frames envisions a world where every individual, community, and culture is celebrated and supported through the universal language of art and philanthropy.

Our vision extends beyond the preservation of cultural heritage; we aim to foster a global society that thrives on empathy, understanding, and mutual support.

Our programs

Revive Smiles. Our annual Christmas aid program brings joy and support to children in impoverished areas, including Bora Tribe children in the Peruvian Amazon.

Artisans & Heritage. Keeping traditional crafts alive: we aim to connect Andean weavers with buyers worldwide and help record the patterns and the stories behind them.

Preserving Memories. Restoring the photos families can't afford to lose.

Dreams Through Arts & Sports. Our newest initiative: arts and sport as paths to confidence, community and opportunity. Every child who loves the game deserves a place on the field, and a family's budget should never be the reason a gifted child stays on the sidelines. Rather than building something new beside the clubs that already do this well, we build a bridge into them.
